organizer

on may 29 1963 I requested permission from the FPCC Headquarters at 299 Brodway New York 3, N.Y. to try to form a local branch in New Orleans. I received a cautious but enthusiastic go ahead from V.T. Lee national Director of FPCC. I then made a logbook and had printed public literature for the setting up of a local FPCC. I hired persons to distribute literature. I then organized persons who display receptive attitudes toward Cuba to distribute pamphlets. I sought response from Latin American consuls of which there are many here in New Orleans, I infiltrated the Cuban Student Directorate and that harassed them with information I gained including having the N.O. city attorney general call them in and put a restraining order pending a hearing on some so-called bonds for invasion they were selling in the New Orleans area. I caused the formation of a small, active, FPCC organization of members and sympathizers where before there was none.
